

DOWIE IS OUSTED

Removed From Financial Management of Zion.

ATTEND TO SPIRITUAL NEEDS

Ownership and Control of Zion's Business Interests Hereafter to be Left to More Experienced Hands—Dowie Will be Advisor.

CHICAGO, March 22.—A radical change in the affairs of Zion City Industries, by which John Alexander Dowie will retire from the management of its business affairs and all of its manufacturing institutions will be incorporated, was announced last night.

Hitherto the ownership and control of Zion's business enterprises have been vested solely in Dr. Dowie. The change is the result of a desire to extricate these interests from pending difficulties.

Fairman Judge Barnes, Zion's legal advisor, made the following explanation regarding the changes:

It was a practical impossibility for the first apostle to attend to all the facts.

details of Zion's business. He has changed his plan and hereafter will confine himself almost entirely to ministerial work, leaving the management of Zion's industrial and commercial affairs to his subordinates."

"This is God's plan of solving our difficulties," said Deputy General Overseer Voliva. "As soon as we get our industries incorporated we will have real Christian co-operation."

By the incorporation of the various enterprises the stockholders will assume control through the election of directors. The first institution to be incorporated will be the candy factory, with a capital of \$50,000. Zion will own \$29,000 of stock and the remainder will be in the hands of individuals.

HEIR IS BORN.

John D. Rockefeller III is born yesterday.

NEW YORK, March 22.—The American today says:

A fine, healthy, blue-eyed, 11-pound boy, who opened his eyes upon the world for the first time late last night in the house in West Fifty-fourth street, near 5th avenue, is heir presumptive to the greatest fortune in the world, for the baby, at its christening, will be John D. Rockefeller, III.

The son born to Mr. and Mrs. John D. Rockefeller Jr., greatest one of the dearest wishes of its grandfather, who hoped for a male heir to his son ever since the latter's marriage to Alice Aldrich, the daughter of United

States Senator Aldrich, of Rhode Island. The mother is doing remarkably well and the doctor and nurses declare they never saw a handsomer or healthier boy.

DECIDE YOURSELF.

The Opportunity is Here, Backed by Astoria Testimony.

Don't take our word for it. Don't depend on a stranger's state-

ment. Read Astoria endorsement. Read the statements of Astoria citizens.

And decide for yourself.

Here is one case of it: E. C. Buland, printer, living on Astor street, Astoria, Ore., says:

"I have tried several guaranteed kidney cures but consider Doan's Kidney Pills the best and highly recommend the remedy to my friends. My trouble had bothered me off and on for many years. I had pain in the small of my back, sharp twinges when stopping or lifting and the aching bothered me a great deal at night. I was tired, languid and very nervous, but since using Doan's Kidney Pills I have not had these nervous spells nor the headaches I used to suffer from. The results have been a great improvement in the condition of the kidney secretions. Doan's Kidney Pills have been so great a help that I am continuing with them, and feel sure of relief whenever suffering from these troubles."

America In Danger Of Overpopulation

By Dr. CHARLES A. L. REED, Professor of Gynecology in the University of Cincinnati.

THE overpeopling of our land is destined to be a very practical, indeed a very perplexing, problem in the NOT REMOTE FUTURE. The rate of increase in the density of the population in Great Britain for the seventy years from 1820 to 1890 was 250 per cent, and in France, Belgium and Italy it was less than 100 per cent.

IN THE UNITED STATES FOR THE SAME PERIOD IT WAS 100 PER CENT, AND FOR THE SUCCEEDING FIFTEEN YEARS THE RATE OF INCREASE IN THIS COUNTRY HAS GREATLY ACCELERATED.

Take these facts in association with the additional fact that much of our great area CANNOT CONTRIBUTE TO THE SUSTENTATION OF THE PEOPLE, and it requires no vivid imagination, no prophetic vision, to foresee the time not many generations hence when the family institution here will be subjected to the DISINTEGRATING SOCIALISTIC INFLUENCES that are today assaulting it under pressure of overcrowding in the countries of Europe.

LIMB WASTED WITH ECZEMA

Obliged to Lie With Limbs Higher Than Head—Suffered Untold Agonies and Could Not Walk—Doctor Said It Was the Worst Case he Ever Saw.

ANOTHER WONDERFUL CURE BY CUTICURA

"I received your letter asking for information about using the Cuticura Remedies. I used them for eczema. The doctor said it was the worst case he ever saw. It was on both limbs, from the knees to the ankles. We tried everything the doctors knew of, but the Cuticura Remedies did the most good. I was obliged to lie with my limbs higher than my head, for the pain was so terrible I could not walk. I suffered untold agonies. One limb wasted away a great deal smaller than the other, there was so much discharge from it. I found the Cuticura Remedies very soothing, and I still keep them in the house. I am very thankful to say that I am cured, and you can publish this statement if you wish. I found the Cuticura Remedies all that they say they are. I hope that you may be spared many years to make the Cuticura Remedies for the benefit of persons suffering from the torture of skin diseases, such as I had. I remain, yours respectfully, Mrs. Golding, Box 8, Ayr, Canada, June 6, 1905."

CURED OF CHAPPED HANDS

"I have used the Cuticura Soap for chapped hands, which I had been troubled with for about three years. I suffered intense pain and itching. I used nearly two cakes of the Cuticura Soap, and my hands were completely cured and have never troubled me since. I also took the Cuticura Resolvent for the blood at the same time. I can recommend the Cuticura Remedies to others suffering the same. Chas. Young, Plattsburgh, Ontario, Canada, Sept. 29, 1905."
